

SAR – Create a Username and Password

If you have not already created a username for SARinstructor.org, click on the Sign In menu item and then click Get a Username on the sign in screen.

The screenshot shows a web browser window with the URL <https://sarinstructor.org/userutilities/login.aspx>. The page features a dark navigation bar with the SAR BARI logo and links for Class Search, Reporting, BARI Manager, and Sign In. The main content area is titled "BARI LOGIN" and contains two input fields for Username and Password, a blue "Login" button, and links for "Forgot Username" and "Forgot Password". Below this is a section titled "Don't have a username?" with a blue "Get a Username" button. The footer includes contact information (info@studentairrifleprogram.org) and links (SAR - http://studentairrifleprogram.org).

Follow the onscreen prompts to verify your eligibility and create a username

The screenshot shows a web browser window with the URL <https://sarinstructor.org/userutilities/CreateUser.aspx>. The page is titled "Create User Name" and includes a notice: "Notice: You must be registered as a BARI with the SAR organization to create a username for this site." Below the notice, it states: "There are two options for verifying eligibility for creating a username for this site. Option 1 is the preferred method if you know your BARI number. You can use option 2 if you do not know your BARI number. If you cannot be verified by either option, contact your SAR coordinator." The page is divided into two verification options. "Verification Option 1" has input fields for BARI # (10002) and Last Name (quaries), with a "Verify Eligibility" button. "Verification Option 2" has input fields for First Name, Last Name, and Postal Code, with a "Verify Eligibility" button. The footer is identical to the previous screenshot.

Once you have created a username, you can sign into SARinstructor.org and update your contact information using the BARI Manager.
